

Bloody Politics

Says Mr Fox to Mr Donkey can you take my meeting
Mr Donkey says, of course, and promptly takes a beating

Mr Lamb and Mr Owl saw Fox's power increased
Mr Owl got his talons out — Mr Lamb got fleeced

Mr Fox and Mr Lamb were both at the Leadership Lab
Mr Fox became Chief Exec, Mr Lamb — kebab.

Some are clean and some are dirty, some are too pure to try.
If you want to change the world - do politics or die.
